- Notes:
- (1) The club meets at Manor Park Sailing Club House for on-the-water about 1300.
  - (2) Race arrangements to be agreed on day, with no more than **FOUR heats** with breaks. All subject to prevailing weather conditions.  
(Whereas DF65s can sail in a heat with Victorias, the DF95s are not allowed to join a Victoria heat.)
  - (3) Although there are 5 No Victoria race days and 10 No DF95 race days, only your best ten heats count towards the Challenge Trophies.
  - (3) Dates shown in **red** are Bank Holiday Mondays with fewer people at lakeside.
  - (4) Although yacht days are shown, the size of Manor Park means that scale are always welcome. Use of fast scale boats is not precluded but it is accepted that scale and fast will not interfere with the yacht racing.
  - (5) **The relevant National and RMBC Covid Operating rules on the day are to be observed**
